

Tornado Youth Hockey Family Hardship Scholarship

Tornado Youth Hockey is committed to finding ways to make hockey affordable for all. Our Scholarship program was established to provide funds to qualifying members of our TYH family to assist when hardship may cause some financial struggles.

Recipients of a Family Hardship Scholarship are eligible for up to \$500 per family towards skater fees in one winter hockey season.

In selecting the recipient, the executive committee will review the application in a closed-door session. They will communicate in private with the family in need.

Applications may be submitted by the family in need or by any TYH family on behalf of the family in need.

Application Requirements:

- Member in good financial standing prior to the hardship.
- Must have at least 1 skater for the upcoming or current winter hockey season with TYH.
- Has actively contributed to the organization with volunteer hours.
- Has already participated in at least one full season with TYH.
- Has participated in at least one TYH fundraiser.
- A Scholarship application filled out and presented to the Executive Board

Applications will be reviewed in a closed session at the following TYH board meeting.

Submit completed form to:
